

COOMERA CROCS

UPCOMING EVENTS FOR 2012 CALENDAR

LOTS HAPPENING IN 2012 SO READ UP AND GET INVOLVED.

PINK STUMPS DAY Saturday 18th Feb

Coomera Crocs turn pink in support of the McGrath Foundation. All players and parents are asked to don pink on the day in support of women with breast cancer. Help raise funds by collecting sponsors for how many runs you team scores and how many wickets the team takes using the fundraising form enclosed in this newsletter. Donations can be taken electronically by visiting our website and following the links to our McGrath Foundation sponsor page. There will be a free BBQ held at the club after the junior games, and the 3rd grade senior team will be playing, so stick around to see our seniors wearing pink!

JUNIOR PRESENTATION Sunday 25th March

Massive day planned to finish the season this year. We have a giant slide, and a jumping castle, but none of these will top the fun we are going to have with the super soaker. All you have to do is get your coach in the chair then hurl balls at the target until they are drenched. All rides are free of charge so feel free to invite your friends along to the day.

First round of presentations will take place at 10am so don't be late and we will have a free BBQ for lunch.

SENIOR PRESENTATION Saturday 24th March

Time to celebrate or commiserate the season past. The senior presentation night is the last hurrah before you pack up the cricket kit and clean out the spikes for the last time this season. There will be a meal provided on the night and as always, the refreshments at the club are cheap and cold.

The night starts at 6.00pm and goes late! Entry is \$30 and includes your meal for the night.

We always have good support from our senior players and look forward to seeing you all there on the night.
